“Christmas In the Summer” Information

May 2012

Plans are being made for the annual Back-to-School Fair sponsored by Community Services and the churches of Nodaway County. The Maryville First United Methodist Church will be coordinating the fair this year.

It is time to register children for the “Christmas in the Summer” program that has been sponsored by the churches of Nodaway County for several years. Children registered for this program will receive a gift of new school clothes when they attend the Back-to-School Fair. No mailings will be sent to families about this program. Please share this information with families you know who might qualify and wish to be included.

Eligibility guidelines:

- Families must have an updated intake on file at Community Services and meet established income guidelines
- Children must be enrolled in a Nodaway County school, kindergarten through 12th grade, for the 2012/13 school year

Applications to register your children can be picked up at the Community Services office. If your family does not have an active file, you will be asked to make an appointment to update information before you will be given an application.

Deadline for registering children is June 8th.

For more information, contact Dave, Norma or Kim at the Community Services office.
