Can you believe it is October already?! This month is normally a BUSY month for us here at GO, but this year things might look a little different. We are working on some FUN and EXCITING things that hopefully our GO kiddos will enjoy. Something that we will be starting back up NEXT week (10/8) is mobile library and read aloud with the Maryville Public Library. The exciting thing this year is that you DO NOT need a library card to check out their books. Look for a paper at the front table with more information. Thank you for allowing us to care for your child(ren) at our before/after school program. Keep updated with everything that is going on by checking out our Facebook/Instagram page. We look forward to having a great year!

As always, please contact Site Director Kassie Jones with any questions or concerns you may have. Our goal is to keep students engaged and safe in our before/after school program.
